

'Create... Tinsel Snowflakes'

You will need:

- ***Tinsel Pipecleaners***
- ***Metallic Pony Beads***

Instructions:

1. Twist 4 pipecleaners together in the middle to form 8 spokes.
2. Thread the metallic beads on to the spokes created. Twist the ends to prevent beads from falling off.
3. Cut 2 pipecleaners into 4 short sections. Join 2 sections to each stem by twisting them into a V shape.

Hang on the wall, window, or Christmas Tree as decorations!
