

Blazing Fire

Our blazing fire is the centre piece of our display.

You will need

- Sheet of brown packaging card
- Foam block roughly the size of a brick
- Cellophane
- Green and red ready mixed paint
- Red paper
- Green and red beads hearts and jingle bells

1. Print a pattern of bricks onto brown card using a block of foam dipped into brown paint.

2. Cut out the fire surround and back it with black sugar paper.

3. Cut out flames from plastic netting material.

4. Cut flames from orange cellophane and overlap the netting to create the fire.

5. Cut out Christmas stockings from red paper, trim with white fabric and decorate with beads, felt hearts and jingle bells.
