

# Paper Reindeer

## You will need

- Card
- Brown paper
- Scissors
- Twigs for antlers
- Seeds for eyes
- Red card or pom pom for nose

Glue brown paper to card and cut out the two triangles.

Turn the little triangle upside down and attach the point over the point of the large triangle.

Glue twigs behind the top of the small triangle. Glue seeds for eyes and small red nose from card or pom pom.

Cut four strips for reindeer legs.

Cut out the small triangle to make a little reindeer gift card.
