

# Bat Mobile

## You will need

- Few sheets of funky foam
- Fluorescent tulip paint or google eyes
- String
- Pom poms
- Black duck tape or masking tape painted black
- Beer tubing

1. Copy the bats shown in the picture or use the bat template on the next page.

2. Cut out seven bats from funky foam, add eyes using a little squeeze of day glow tulip paint.

3. Bend a length of beer tubing into a circle and tape the whole way round with duck tape.

4. Thread pom poms to a string and use it to decorative effect crisscrossing the circle.

5. Attach a hanging string to each bat and tie around outside edge of the ring to complete the mobile.
