

Cat Mask

You will need

Sheet of black card, scraps of yellow, white and red card.

Cut out the following:

Mask and nose in black.

Two inner ears and teeth in white

Two yellow eyes

A nose tip and mouth in red

Glue the features into position on the mask

Cut out six thin strips of white card, 17cm long for whiskers. Curl the end of each strip around a pencil. Glue three strips either side of base of the cats nose tip.

Cut out six thin strips of white card 8cm long, for eyebrows. Curl as before and glue three above each eye.

Insert tabs A and B into the slits and stick firmly to the back of the mask.

Make a small hole at each side of the mask. Thread elastic through one hole and secure the end. Thread the loose end of the elastic through the other hole. Try the mask on and adjust to fit. Knot and cut off any excess elastic.
