

# Cone Witch

## You will need

Cardboard cone or make a cone from a 10 cm circle, cut away a quarter. Draw the edges together to form the cone shape, hold the edges in place with sellotape.

Card

Sticky back vinyl, coloured paper or felt  
Small piece of garden cane, straw or twig  
Fleece, wool or string

Paint a cone or cover with paper, fabric or vinyl using the same method of making a cone described above.

Cut out a small triangle from felt, paper or vinyl.

Make a slit at the centre of the face and insert a small triangle for the nose. Glue at the back. Add other features using sticky vinyl, paper or felt.

Pierce one hole just under the face and another slightly lower at the back and run through a small piece of garden cane or a straw for the broom.

Make bristles with fringed paper, vinyl or straw and secure with an elastic band.

Twist two pipe cleaners together and attach them to the centre of stick running through the inside of the cone.

Cut out a two small triangles of fabric and twist onto the end of each pipecleaner to make the feet.
