

### 'Create...Egg Warmer/Puppet'

#### You will need:

- **Childrens socks**
- **Feathers**
- **Pipcleaners**
- **Pom poms**
- **Felt**
- **Google Eyes**
- **Copydex**

#### Instructions:

1. Cut socks just below the heel. Glue google eyes onto the toe line.
2. For the Chick push the feathers through the sock at either side.
3. Cut a small square of felt for the mouth, fold in half and glue to the sock. For the feet cut and bend the pipecleaners and simply glue on.
4. For the Rabbit cut out 2 pairs of ears using 2 different colours. Make one pair smaller than the other, but leaving some extra felt at the bottom of each piece to attach to the top of the sock with Copydex. Layer them by sticking smaller ear inside the larger shape. When they are stuck on fold in half to help keep them upright.
5. Stick on the pipecleaners for the whiskers and the pom poms for the nose and feet.
