

### 'Create...Baby Blue Birds'

#### You will need:

- **Small paper plate**
- **Tape & PVA glue**
- **Brown poster paint**
- **Blue poster paint**
- **Feathers**
- **Scrap strips of card**
- **Large poly-egg**
- **Google Eyes**
- **Orange card**

#### Instructions:

1. Paint the plate brown. Cut the poly-egg in half using serrated blade (adult), this will make two birds. Paint the birds blue or whichever colour you prefer. Glue the birds to the plate.
2. Attach google eyes and an orange cardboard triangle for the beaks.
3. Pierce two small holes at either side of each bird and push through feathers, secure these at the back of the plate with tape.
4. Finally glue on strips of card for the nest.
