

'Create...Bird Feeder'

You will need:

- **Wooden Spoons**
- **Plastic 1L Bottle**
- **Bird Seed**
- **Eye Screw**
- **Craft knife**
- **Garden Twine**

Instructions:

1. Draw a 1cm asterisk on the side of bottle, approx 5cm from the bottom of bottle, then a 2-3cm asterisk opposite this.
2. Do the same again on the opposite sides approx 10cm from bottom.
3. Use craft knife to slit the asterisks lines and cut out the circles (adult job), then insert both wooden spoons, handle first, into the holes.
4. Remove the bottle top and twist a small eye screw into the top to hang.
5. Fill your feeder with birdseed, recap it and use a length of twine to hang from a tree.
