

'Create...EASTER EGG FLOWER'

You will need:

- **Funky Foam A4 Sheets**
- **Double Sided Tape**
- **Cardboard Tube**
- **Egg or Chocolate Egg**

Instructions:

1. Cut rectangle of green funky foam to cover 4 inch long cardboard tube. Attach this with double sided tape.
2. Use different coloured funky foam for flower, cut out a large flower shape. Using the remaining green funky foam to cut out a similar shape for leaves.
3. Use the cardboard tube and trace around it to get the centre of the flower marked on both sheets of funky foam. Cut out the circles from both sheets of funky foam. Push the green funky foam leaves onto card tube first, followed by the flower. Place egg on top!
