

'Create...Easter Paper Plate Hen'

You will need:

- **Large Paper Plate**
- **Yellow funky foam**
- **Orange funky foam**
- **Google eyes**
- **Feathers**
- **Poster paint**

Instructions:

1. Fold large paper plate in half and paint chosen colour.
2. Cut a circle for the head from yellow funky foam for the face, and a triangle for the beak from orange funky foam. Attach google eyes and beak to face. Add feathers around the top of the face at the back with tape.
3. Draw around and cut out 2 hands shapes, paint and attach to the plate as tail feathers.
4. Stick on a few feathers in the middle of the plate to finish!
