

'Create...Fairy Ring Toadstools'

You will need:

- **Red + White Das Clay**
- **Lollysticks**

Instructions:

1. For toadstool caps, roll white clay into a 2.5cm ball and flatten one side. Roll a 1cm ball of red clay, use your palm to flatten into a disk and press atop the white ball. For spots, roll tiny balls of white clay, flatten them and press on.
2. Roll a 1cm ball of white clay and mould into a stem. Press onto the cap.
3. Insert a lollystick through the stem of each toadstool and push into the cap.
4. Create a fairy ring or use them as markers to keep seedlings in line.
