Quick Idea Cards

'Create...Feathered Mirror'

You will need:

- **Feathers**
- **Pipecleaners small**
- **3" Mirror**
- **Polystyrene (scrapstore)**
- **Copydex**
- **Serrated Knife**

Instructions:

1. Pre-cut polystyrene into approx 10cm circle with a kitchen knife (adult).
2. Push long feathers into polystyrene, working the whole way round circle, no need to glue! If wanted, repeat with another layer of shorter feathers.
3. Glue mirror onto polystyrene circle with copydex. Cut small pipecleaner in half, bend into loop and press into reverse to hang.
