

'Create...Foam Block Puppet'

You will need:

- **Foam 5cm + 9cm**
- **Gaffer Tape**
- **Bright Tights / Sock**
- **Table Tennis Balls**
- **Acrylic Paint**
- **Copydex**
- **Scissors**
- **Serrated Knife**

Instructions:

1. Pre-cut 2 foam blocks, 1 from each thickness, approx 13x16cm using serrated knife (adult). Round off 1 end of each block to a curved end. Snip off small chunks of foam to create form, using scissors. Lay large block of foam on top of smaller block. Use gaffer tape to create hinge.
2. Above and below gaffer tape line carve a space on upper block for fingers + one on lower block for thumb.
3. Paint using acrylic paint. Add a dot to each Table Tennis Ball and glue to top of head with Copydex. Use sock on arm for puppets neck.
